# 1 HOW TO CHECK COMPANY DETAILS FLOW

## 1.1 Check Company Details

**All Screenshots used in Document are for Reference Purpose only**

Follow the below steps to Check Company Details.

**Step 1:** Navigate to Financial Reporting > Create Filing

**Step 2:** Click on Create New Filing Button as shown in above Screenshot.

**Step 3:** After Clicking on Create New Filing Company Details will be available on below screenshot.

The filers can use these information before they start filling the filing information page on the ifile preparation tool. In case of any mismatch in the information provided on the ifile preparation tool and the information showed here, then the filers can't upload their filings on the XBRL portal. They need to correct the data on the ifile excel preparation tool accordingly to the data showed here else they need to communicate with CMA support team for the further clarification.
